

Regina

The Association of Regina REALTORS® Inc, Regina's North Central Family Centre, and members of the Saskatchewan Roughriders have unveiled a special mural commemorating the Roughriders' 100th anniversary.

The mural was created by youth involved in one of the Centre's **Youth** programs. The program is funded by the Association of Regina REALTORS® Inc, and is working to both beautify the neighborhood and make it safer for residents, while providing learning opportunities for youth.

ARR Members "Man" Christmas Kettles

Approximately 25 Regina REALTORS® will donate their time this season to help "man" the Salvation Army Christmas kettles around the city - something ARR members have done for more than 25 years.

"The Christmas kettles raise money for a range of very important programs. We're really pleased to be able to give back to the community, by helping to support the work of the Salvation Army," said Gord Archibald, ARR Executive Officer.

EXIT Realty Fusion - Chili Cook-Off

There were two big winners recently at Exit Realty Fusion's Chili Cook-Off. REALTOR® **Zelda Luchenski** and the charity, **Chili for Children**. Zelda, who proved that the best chili is always the simplest, won for best tasting chili, while all donations from the event flowed in for Chili for Children's Christmas Campaign. As a result of the Exit agents' hard work, and the generosity of friends and neighbours in Regina, a family in Regina will have a Christmas worth remembering.

EXIT Realty Fusion would like to thank all those who participated to make this event successful. Especially our Roughriders who came in support of the cause: **George Reed, Cleveland Vann, Andrew Green, Gene Makowsky, Chris Best and Marc Parenteau.**
