

Karen Krawczyk (left) MJREB Chair of the local Quality of Life Committee presents plaques to MJREB President, Derek McRitchie, for the support given on the Hammers for Humanity fundraiser held earlier this year, to Wendy Schiml (middle), H/R of the local Walmart for their donation of the hammers, and to Lana LaLonde (right), from VIBE Graphics, who donated the engraving of all the hammers for presentation. Thanks to all these groups for their help in making our "Hammers for Humanity" fundraiser so successful.
