

Each year, the **Association of Regina REALTORS® Inc.** awards two scholarships to U of R students to encourage and support excellence in education.

Receiving a scholarship for the second time is **Barbara Woolsey** (left) who is in her third year of journalism. Also receiving a scholarship is **Rebecca Lascue** (right) who is entering the fourth year of an Arts program with a major in Psychology.

ARR EO, **Gord Archibald**, (pictured here with Barbara and Rebecca) says, "REALTORS® believe that it's critical that we invest in the future of the community and country - our scholarship program is designed to do that."
