*The **Right Now!!** campaign barbecue (pictured above) was hosted by the REALTORS® Association of Lloydminster & District on August 26th, and was attended by approximately 600 people. The barbecue was the kick-off to a city-wide campaign which was part of a massive blitz to promote community spirit and a positive attitude toward the economic conditions in the community. The event also helped to promote confidence in the Lloydminster real estate market and highlighted the involvement of REALTORS® working together toward one goal.*

*The barbecue was attended by numerous guests including: AREA President **Bill Briggs**, ASR President-Elect **Gary Busch**, ASR Executive Vice President **Bill Madder**, AREA Director of Industry & Government Relations **Bill Fowler**, as well as local MLAs and dignitaries.*

A Sponsorship Opportunities Grant for \$1,500 was given through the Alberta Real Estate Foundation to help offset costs.
